RESPONSE TO RESTRICTION REQUIREMENT

P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the May 7, 2004 Restriction Requirement, Applicant provisionally elects Group II, claims 12-16, with traverse.

It is also respectfully submitted that the subject matter of all claims 1-16 is sufficiently related that a thorough search for the subject matter of any one Group of claims would encompass a search for the subject matter of the remaining claims. Thus, it is respectfully submitted that the search and examination of the entire application could be made without serious burden. See MPEP §803 in which it is stated that "if the search and examination of an entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions" (emphasis added). It is respectfully submitted that this policy should apply in the present application in order to avoid unnecessary delay and expense to Applicant and duplicative examination by the Patent Office.

Thus, withdrawal of the Restriction Requirement is respectfully requested.

In addition, the Examiner is requested to consider the references submitted in the Information Disclosure Statement filed April 26, 2002. The Examiner is invited to contact Applicant's undersigned attorney at the telephone number listed below if, for some reason, the Information Disclosure Statement is not present in the Patent Office file.

Respectfully submitted,
